<b><u>School's names</u></b>	<b><u>Primary School no 12 Elblag</u></b> <b><u>Walton-on-Trent CofE Schools Swadlincote</u></b> <b><u>Ecole Elementaire Jules Michelet Villenave D'ornon</u></b>
<b>URL:</b>	<a href="http://www.sp12.elblag.pl">www.sp12.elblag.pl</a>
<b>Number of pupils</b>	Whole schools
<b>Students' age</b>	6-11 years old
<b>Time</b>	September 2011– June 2012
<b>Description of the Project</b>	<p>The schools will work together on the topic "sport". They will begin with a research about what and where pupils usually practise and do during their school breaks.</p> <p>Children will find out the advantages of healthy style, especially sport at school and they will be invited to discover other sports.</p> <p>After sharing and comparing the results of various activities children will try to develop healthier habits, involving their families, too.</p> <p>Students will prepare to Olympic games day which will take place at the end of the school year.</p>
<b>Objectives</b>	To make pupils aware of the importance of sport; to find out the advantages of practising sports; to learn unknown sports activities; to discover where and how different sports are practised; to find out

	<p>famous sports men</p> <p>To make pupils aware of the importance of changing our styles of life and habits in order to get healthier; to compare sport habits in the different European countries; to increase the ability to research and use new technologies; to work together with pupils and teachers of different European countries;</p> <p>To improve the knowledge of the English language</p>
